

I am appaled that Sinclair is being allowed to broadcast a smear piece just days before an election critical in our nations history. As Sinclair uses the public airwaves free of charge, they are obligated by law to serve the public interest. But when large companies control the airwaves, we get more of what's good for big business and less of what we need for our democracy.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
